Pursuant to MCR 7.205(D)(2), in lieu of granting the delayed application for leave to appeal, the Court orders that this case is REMANDED to the trial court to undertake, if it has not already done so, the administrative task of correcting the presentence investigation report (PSIR) to conform to its responses to defendant's accuracy challenges at sentencing. Further, the trial court should ensure that a corrected copy of the PSIR is transmitted to the Department of Corrections. We do not retain jurisdiction.
